

Data Privacy Policy

Effective January 2025

1. Introduction

Marvell Technology, Inc. ("Marvell") respects your privacy, and we are committed to protecting your personal data. Marvell's Privacy Policy ("Privacy Policy") provides information about how we collect, use, maintain, and share your personal data through our websites and other sites (collectively the "Site") and our worldwide locations. This Privacy Policy includes both general sections and provisions that apply to users in specific locations. This Privacy Policy is intended to comply with applicable laws.

This Privacy Policy applies to Marvell's data collection activities and applies to all employees, partners, consultants, anyone acting on behalf of Marvell, and anyone processing Marvell data.

We reserve the right to change, modify, add, or remove this Privacy Policy at any time in our sole discretion but will indicate that changes have been made. When you visit the Site, you are accepting the current version of this Privacy Policy as posted on the Site at that time. We also recommend that users revisit this Privacy Policy on occasion to learn of any changes.

2. Who We Are and How to Contact Us

Marvell and its subsidiaries form a group of legal entities (collectively "Marvell Group"). This Privacy Policy is issued on behalf of the Marvell Group. Therefore, when we mention, "we", "us" or "our" in this Privacy Policy, we are referring to the Marvell Group collectively and to a legal entity of the Marvell Group individually. Details of the Marvell Group are available [here](#).

If you have any questions about this Privacy Policy or would like to exercise any of the rights mentioned in this Privacy Policy, you can contact Marvell's Privacy Team in the following ways:

Email: privacy@marvell.com

Address (Corporate Headquarters): 5488 Marvell Ln. Santa Clara, CA 95054 (Attention: Legal, Data Privacy)

Toll-free Number: +1 (833) 339-4433 (California Only)

You can also contact data protection officers for your location:

EU, UK, & Israel (Except Germany): Ganit Ashkenazi, privacy@marvell.com

Germany: Sebastian Kraska, email@iitr.de

Americas: Rob Kuhn, privacy@marvell.com

Asia Pacific: Joanna Chen, privacy@marvell.com

India: Alpa Sood, privacy@marvell.com

Note that we may need to request specific information from you to help us confirm your identity before we respond to your inquiry. This is a security measure to ensure that personal data is not disclosed to any person who does not have a right to receive it. Information received from you for verification purposes will only be used to verify your identity.

3. Collection Methods

Your personal data is (i) provided by you; (ii) obtained from third parties; and/or (iii) created by us in the course of your use of our Site. Further, to the extent permitted by applicable law, we may combine the personal data collected by us in the course of your use of our Site with any personal data you may have provided to us. The data we collect depends on the context of your interactions and the choices you make, which includes the privacy settings you select, and the Site features you use.

Our Site uses “cookies” (small files placed on your device), pixels, and beacons or other automatic data collection technologies to distinguish you from other Site users. This helps us deliver a better and more personalized service when you browse our Site. It also allows us to improve our Site. For more information about Cookies, please refer to Section 13 below and Marvell’s Cookie Notice.

4. Types of Personal Data We Collect

We may process the following types of personal data:

- Identity Data includes first name, last name, username, or similar identifier.
- Contact Data includes billing address, delivery address, email address, and telephone numbers.
- Technical Data includes internet protocol (IP) address, your login data, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform, and other technology on the devices you use to access the Site.
- Profile Data includes your username and password, purchases or orders made by your organization, your interests, preferences, feedback, and survey responses.
- Product Data includes information collected about you to provide a product or service for you.
- Usage Data includes information about how you use our Site, products, and services. This includes website cookies.
- Marketing and Communications Data includes your preferences in receiving marketing from us and our third parties and your communication preferences.

We also collect, use, and share non-personal data, such as anonymized or aggregated data, for purposes such as analysis, identifying trends in the areas of our products, and helping research and developing new Marvell services. However, if we combine or connect non-personal data with your personal data, enabling us to directly or indirectly identify you, we treat the combined data as personal data, which will be used in accordance with this Privacy Policy.

5. How We Use Your Personal Data

We collect, use, and share personal data to achieve our business purposes and where consent applies, based on the parameters of your consent. In particular, we process personal data to:

- Provide our Site and services, and operate our business;
- Improve and develop new products and services;
- Communicate with you at your request;
- Manage event registrations and attendance;
- Deliver marketing and advertising tailored to your preferences;
- Understand, monitor, and optimize how users interact with our Site;
- Secure Marvell Site and protect the data held by Marvell;
- Comply with our legal obligations; and
- Detect and prevent fraud.

We may also collect, use, and share personal data for specific purposes that will be communicated in supplemental privacy notices provided at the time of data collection.

6. Where We Store & Process Your Data

We store your personal data in Marvell's data centers in the United States and other locations where Marvell operates, including Israel, Singapore, and India. These can be made accessible to the Marvell Group. Access is controlled on a need-to-know basis and only used where it is necessary to provide you with requested services or to allow us to perform any necessary or legitimate actions. Our processors may store your personal data in other locations. Please see an overview of our processors and their particular locations [here](#).

When we share your personal data in accordance with this Privacy Policy with the Marvell Group or third parties, we ensure that we meet all privacy and data protection laws that apply.

7. Opt-Out

Subject to any laws that require a recipient to receive communications on the basis of consent, in connection with promotions or other projects, we may ask you specifically whether you have objections against a certain kind of personal data use or sharing. If you opt-out under such circumstances, we will respect your decision but please note that opting-out may limit Marvell's ability to deliver the relevant service or feature.

To opt-out of receiving further commercial emails or to unsubscribe from services, e-mail us at privacy@marvell.com or click the unsubscribe link that is included in the message. Where you opt-out of receiving marketing messages, this will not apply to personal data provided to us following a product/service purchase, warranty registration, product/service experience, or other transaction. Please note that third parties with whom we share your personal data for marketing purposes have their own data privacy policies and you would need to contact them separately regarding opt-out requests.

8. Third-Party Disclosures

We may share your personal data with any of the following categories of recipients:

- Any member of the Marvell Group, which includes our present and future subsidiaries and our affiliates
- Business partners, customers, suppliers, service providers, sub-contractors, and other third parties we use to support our business
- Advertisers or marketers, to the extent you have given us your consent; and
- Law enforcement and regulators or other authorities to protect our legal rights or to comply with legal obligations

We may share your personal data with third parties for any of the following reasons:

- To comply with any court order, law, or legal process, including responding to any government or regulatory request.
- To process or exercise a prospective or actual sale, merger and acquisition, transfer or other reorganization of all or parts of our business.
- To provide our services.
- To enforce or apply our terms or conditions or use.
- To protect the rights, property, or safety of our business, our employees, our customers, or others. This may include exchanging information with other companies and organizations for the purposes of cybersecurity, fraud protection, and credit risk reduction.
- To prevent fraud against the Marvell Group and our business partners.
- To support auditing, compliance, and corporate governance functions.

We may share non-personal data without restriction.

9. Consent to Transfer

The Marvell Group includes locations where consent may be required to transfer personal data. We may process, store, and transfer the personal data we collect, in and to a country outside the country in which you reside, with different privacy laws that may or may not be as comprehensive as the country in which you reside. Where permissible, by continuing to use this Site you agree to these transfers.

10. Legal Basis

Where a legal basis is required to process your personal data, we rely on the following:

- Our legitimate interests in promoting and protecting the Marvell Group its employees or agents, developing, marketing, and selling our products, and providing products and services to our customers;
- To enter into and perform a contract concluded with you;
- Your consent, for example if you register for our marketing newsletters or alerts; and/or
- To comply with the law, when certain information is necessary to satisfy our legal or regulatory obligations; or
- The legal basis identified in the applicable Local Provisions Section below.

11. Data Retention

We are committed to only retaining your personal data for as long as necessary to fulfill the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorized use or disclosure of your personal data, the purposes for which we process your personal data, and whether we can achieve those purposes through other means, and the applicable legal requirements.

12. Data Protection & Security

The security of your personal data is important to us. We use technical and organizational measures, including physical, electronic, and administrative safeguards designed to protect your personal data from loss, misuse, unauthorized access, use, alteration, or disclosure. In addition, we limit access to your personal data to those employees, agents, contractors, and other third parties on a need-to-know basis. We have put in place procedures to deal with any suspected personal data breach and will notify you and any applicable regulator of a breach where we are legally required to do so.

The safety and security of your personal data also depends on you. Where we have given you (or where you have chosen) a password for access to certain parts of our Site, you are responsible for creating a strong password and keeping this password confidential. We ask you not to share your password with anyone. We urge you to take care when providing personal data in public areas of the Site, like message boards, which any Site visitor can view.

Unfortunately, transmissions via the internet are never 100% secure or error-free. Although we do our best to protect your personal data, we cannot guarantee the security of your personal data transmitted to our Site. Any transmission of personal data is at your own risk. We are not responsible for the circumvention of any privacy settings or security measures contained on the Site.

13. Website Specific Disclosures

a. Cookies and Related Technology

We use automatic data collection tools, such as cookies, embedded web links, pixels, tags, and web beacons on our Site. These tools collect certain personal information that your browser sends to us (such as Internet Protocol [IP] address, browser type, MAC address, clickstream behavior, approximate geolocation, and telemetry).

These tools help make your visit to our Site easier and more efficient. We also use the information to improve our Site, provide greater service and value, better understand your potential interest in our Site and products, and provide you with more relevant ads and other content.

Our third-party partners may use cookies or similar technologies to provide you with advertising based on your browsing activities and interests. Where this type of third-party advertising is disabled, generic, non-personalized ads may continue to be displayed.

Please refer to our Cookie Notice below for more information about the use of cookies on our Site. You can configure cookie settings by launching the Cookie Preferences Manager at any time.

a. Third Party Links

The Site may include links to third-party websites, plug-ins, services, social networks, or applications that are not operated or controlled by Marvell. By clicking any of these links, you will leave the Site or connect to third party products and/or services. Third party sites, products, and services are governed by their respective privacy statements and policies are not controlled by Marvell. Accordingly, we do not endorse or make any representations about these third-party sites. If you decide to access any of these third-party sites, you do so at your own risk.

b. Children's Privacy

The Site is intended for adults. We do not intentionally or knowingly collect personal data from minors under the age of 13 years old ("minor") and we request that minors not submit any personal information on the Site. If you – as a person with parental or guardian responsibility over the minor – notice that the minor has provided us with personal data without your approval (for instance by submitting an incorrect age), you may contact us at privacy@marvell.com.

If we find out that we processed personal data of a minor without the approval of the person holding parental responsibility over the minor concerned, we will immediately remove the personal data from our system.

14. Location-Specific Provisions

a. Local Provisions: United States

If you are a resident of California, the following provisions apply:

a. Definitions:

- i. **Personal Information.** Information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, to you or your household.
- ii. **Sensitive Personal Information.** Social security number, driver's license number, state identification card, passport number, account log-in and password, financial account and password, debit or credit card number and access code, precise geolocation information, race, ethnic origin, religious or philosophical beliefs, union membership, the content of your mail, email or texts other than those communications with us, genetic data, biometric information, health information, and information that concerns your sex life or sexual orientation.
- iii. **Sell, Sale, or Sold.** Selling, renting, releasing, disclosing, disseminating, making available, transferring, or otherwise communicating orally, in writing, or other means, your personal information to a third party for money or other valuable consideration.

- iv. **Share, Shared, or Sharing.** Sharing, renting, releasing, disclosing, disseminating, making available, transferring, or otherwise communicating orally, in writing, or other means, your personal information to a third party for cross-context behavioral advertising, whether or not for monetary or other valuable consideration.
- b. **California Data Protection Laws** means the California Consumer Privacy Act of 2018 as amended by the California Privacy Rights Act of 2020, as each may be amended or replaced from time to time, and any regulations implementing the foregoing.
- c. **Notice of Collection:** To learn more about the categories of personal information we have collected about California residents in the 12 months preceding the date this Privacy Policy was last updated, including the sources of collection, how we may use and disclose that information, whether we sell or share that information, and whether the information includes categories of sensitive personal information, Marvell will separately publish this information.
- d. **Notice of Sale or Sharing:** We do not sell or share the personal information in exchange for money. We also do not have any actual knowledge of selling or sharing the personal information or sensitive personal information of any California resident who is 16 years or younger for money. However, the use of some cookies may constitute “selling” or “sharing” personal information under California Data Protection Laws. You may use the Cookie Preference Manager at any time to disable cookies.
- e. **Notice of Use of Sensitive Personal Information.** We do not use sensitive personal information other than as permitted under the California Data Protection Laws.
- f. **Do Not Track:** We may, from time to time, collect information about your online activities, over time and across different sites and applications. When you use our Site, third parties may also collect information about your online activities, over time and across different websites, online or cloud computing services, online applications, or mobile applications. Some browsers support a “Do Not Track” feature, which is intended to be a signal to websites that you do not wish to be tracked across different websites you visit. You may, however, disable certain tracking as discussed in Section 13 above.
- g. **Shine the Light:** You may submit a request regarding the disclosure of your personal information by us to third parties for the third parties’ direct marketing purposes. To submit such a request, please send an e-mail to privacy@marvell.com.
- h. **Rights:** California residents have certain rights under the California Consumer Privacy Act, including the right to access, delete, and to non-discrimination.

- i. **Right to Know:** You have the right to request from us, up to twice a year, a disclosure of: (i) the categories of personal we collected about and from you in the 12 months preceding the date of your request; (ii) the categories of sources from which we have collected that personal information; (iii) the business or commercial purpose for collecting or sharing that personal information; (iv) the categories of third parties with whom we have shared that personal information; and (v) the specific pieces of personal information collected during that time frame.
- ii. **Right to Delete:** You have a right to request deletion of your personal information, subject to certain exceptions.
- iii. **Right to Correct:** You have a right to request that we correct the personal information we have collected about you, subject to certain exceptions.
- iv. **Process to Submit a Request:** You have the right to submit a request to know, delete, or correct your personal information. You may e-mail us at privacy@marvell.com. You may also designate an authorized agent to submit a request on your behalf. We will confirm receipt of, and respond to your requests as soon as possible, and in conformance with all applicable law.
- v. **Verification Method:** In order to ensure that changes are not made to your personal information without your authorization, and to protect against your personal information being disclosed to unauthorized parties, we will seek to verify your identity before responding to your request by using a reasonable method based on the type, sensitivity, and value of the personal information requested, including but not limited to matching the identifying information provided in your request with the information we have on file about you. Depending on the sensitivity of the personal information requested, we may also utilize more stringent verification methods to verify your identity, including but not limited to requesting additional information from you and/or requiring you to sign a declaration under penalty of perjury.
- vi. **Right to Anti-Discrimination:** We will not discriminate against you for exercising your rights set forth under this paragraph. Further, in response to an exercise of data privacy rights, we will not:
 - Deny you goods or services.
 - Charge you different prices or rates for goods or services, including through granting discounts or other benefits, or imposing penalties.
 - Provide you with a different level or quality of goods or services.
 - Suggest that you may receive a different price or rate for goods or services or a different level or quality of goods or services.
- vii. **Minors' Right to Erasure:** If you are a California resident under 18 years of age, you have the right to request and obtain the removal of content or information you posted on our social media environment where that qualifies as personal information. To submit such a request, please send an e-mail to privacy@marvell.com. Removal does not ensure complete or comprehensive removal of the content or information you posted.

b. Local Provisions: European Economic Area (EEA)

If the GDPR (defined below) applies to our personal data processing, the following applies in addition to the sections 1-13 of this Privacy Policy:

- a. **GDPR** means Regulation 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repeal of Directive 95/46/EC.
- b. **Member State** means a member state of the European Economic Area (**EEA**).
- c. If we share your personal data with the Marvell Group or third parties located outside the EEA, we ensure appropriate safeguards are in place to guarantee the continued protection of your personal data, particularly by signing the Standard Contractual Clauses ('SCCs') adopted by the European Commission (article 46(2)(c) GDPR). For more information on these SCCs, please see [here](#). Additionally, where necessary, we will adopt supplementary measures that ensure the level of protection of the data transferred up to the EU standard of essential equivalence. You have the right to receive a copy of the Standard Contractual Clauses we executed that apply to you.
- d. Below we set out your rights under the GDPR in more detail and give information on how you can exercise these. Most of these rights are not absolute and are subject to exemptions in the law. We will respond to your exercise of right request within one month but have the right to extend this period to two months if the request is particularly complex or broad. If we extend the response period, we will let you know within 30 (thirty) days from the date of your request. If your request is clearly unfounded or excessive, we reserve the right to charge a reasonable fee or refuse to comply in such circumstances.
 - i. **Access:** You are entitled to ask us if we are processing your personal data and, if we are, you can request access to your personal data. This enables you to receive a copy of the personal data we hold about you in a machine-readable format.
 - ii. **Rectification:** You are entitled to request that any incomplete or inaccurate personal data we hold about you is corrected.
 - iii. **Erasure:** You are entitled to ask us to delete or remove personal data in certain circumstances. There are certain exceptions where we may refuse a request for erasure, for example, where the personal data is required for compliance with law or in connection with legal claims.
 - iv. **Restriction:** You are entitled to ask us to suspend the processing of certain personal data about you, for example if you want us to establish its accuracy or the reason for processing it.
 - v. **Data portability:** You may request the transfer of a copy of certain personal data to you or another party (if technically feasible). You have the right to ask that we provide your personal data in an easily readable format to another company.

- vi. **Objection:** Where we are processing your personal data based on our legitimate interest, you may object to processing on this ground. However, we may be entitled to continue processing your personal data if your interests, rights and freedoms do not override our legitimate interests. As regards the processing of your personal data for direct marketing purposes, you have the right to opt-out at any time in which case we will cease processing your personal for these purposes.
- vii. **Withdraw your consent:** Where you have provided your consent to the processing of your personal data for a specific purpose, you have the right to withdraw your consent for that specific processing at any time. The withdrawal of your consent does not affect the lawfulness of the processing based on your consent before its withdrawal.
- viii. **Lodge a complaint with a supervisory authority:** We will do our best to resolve any complaint you have in relation to the processing of personal data. However, if you feel we have not resolved your complaint, you have a right to lodge a complaint with a supervisory authority in the country where you live, work or where an alleged infringement of applicable data protection law took place. A list of EU supervisory authorities and their contact details is available [here](#).

c. Local Provisions: UK

If the UK GDPR (defined below) applies, the following applies in addition to the sections 1-13 of this Privacy Policy:

- a. UK GDPR means the Retained Regulation 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repeal of Directive 95/46/EC.
- b. The provisions of section 14(b) of this Privacy Policy also apply consistent with the UK GDPR.
- c. If we share your personal data with our group company(ies) or third parties located outside the United Kingdom, we ensure appropriate safeguards are in place to guarantee the continued protection of your personal data, particularly by signing the International Data Transfer Addendum to the SCCs, which you can find [here](#).
- d. Complaints for the Information Commissioner's Office (UK) can be lodged [here](#).

d. Local Provisions: Israel

If you are based in Israel, the following applies in addition to the remainder of this Privacy Policy:

- a. **The "Israel Privacy Protection Law"** means the Israeli Privacy Protection Law 5741-1981 as amended.
- b. **Israel Controller:** The Controller of your Personal Data in Israel is Marvell Israel (M.I.S.L.) Ltd located at Park Azorim, Kyriat Arie, Petah Tikva 49527.

- c. **Rights:** You may have the right to review your Personal Data processed by Marvell, as well as request to update or delete your Personal Data if it is incorrect, incomplete, unclear, or out-of-date. To exercise any of your rights above, please email a request at privacy@marvell.com.
- d. **Legal basis.** The legal basis for processing your Personal Data is either a legal obligation or by providing your consent (either directly or implied) – see section 10 above. If you do not consent to the processing of your Personal Data we may not be able to provide you with all of the Site services and recommend that you do not use the Site.
- e. **Lack of Consent:** If you do not consent to the processing of your Personal Data, we may not be able to provide you with all of the Site services and recommend that you do not use the Site.

e. Local Provisions: China

If you are based in China, the following applies in addition to the remainder of this Privacy Policy:

- a. **China Data Protection Laws** means the Personal Information Protection Law of China (effective as of 1 November 2021), the Data Security Law of China (effective as of 1 September 2021) and other applicable laws, as each may be amended or replaced from time to time, and any regulations implementing the foregoing.
- b. **Personal Information Processor:** Marvell with its registered address at 5488 Marvell Ln., Santa Clara, CA 95054 or Marvell Group's local subsidiary, legal entity or branch in China, ("Marvell" or "us") is the personal information processor of your personal information, unless otherwise stated.
- c. We may collect and use your relevant personal information without your consent under the following circumstances:
 - i. Where it is required to conclude and perform a contract to which you are a party;
 - ii. Where it is required to perform statutory obligations or legal duties;
 - iii. Where it is required to respond to public health emergencies, or protect the life, health, and property safety of natural persons in emergencies;
 - iv. Where personal information is processed to a reasonable extent for the purposes of news reports, public opinion supervision, and other acts for the public interest;
 - v. Where personal information has already been made public by your own or through other legitimate channels, and processing of such personal information is done pursuant to applicable laws and to a reasonable extent; and
 - vi. Other circumstances provided in applicable laws, regulations, and national standards.

- d. **Sensitive Personal Information:** Your personal information that is collected and processed by us may include sensitive personal information. Sensitive personal information refers to personal information that if leaked or used illegally may easily cause harm to the dignity of natural persons or endanger personal or property safety. According to the services you use, your sensitive personal information processed by us may include payment information, invoice information, etc. It is necessary for us to process your sensitive personal information in order to provide the specific services to you and for other purposes described in this Privacy Policy. We will process your personal information (including sensitive personal information) in a way that has the least impact on your personal rights and interests (for example, grant access to personal information to necessary personnel only, use encryption technologies during transmission and storage of sensitive personal information when necessary, and conduct personal information protection security impact assessment). You agree that we can process your sensitive personal information for the purposes stated in this Privacy Policy and in accordance with its provisions. If you do not want us to process your sensitive personal information, please do not use some of our services (we have already explained to you above the types of sensitive personal information to be collected and processed concerning specific services).
- e. **Separate Consent:** Subject to the applicable China Data Protection Laws, we may ask for your separate consent if we process your sensitive personal information, share your personal information with a third party on a “controller to controller” basis, publicize your personal information, or transfer your personal information outside of China.
- f. **International Transfer:** If we share your personal information with our group company(ies) or third parties located outside China, we ensure appropriate safeguards are in place to guarantee the continued protection of your personal information. Additionally, where necessary, we will provide the details of the transfer and the overseas recipients to you upon your request, apply for the security assessment conducted by the competent authority; get necessary certification; or sign the standard contract with the data recipient.
- g. **Recipients of Your Personal Information:** Marvell may share your personal information with our affiliated companies worldwide in order for us to conduct marketing and promotion of the products, services or activities you may be interested in, to help us analyze and know the users’ demand, to improve our products and services, to upgrade user experience, etc., in connection with the fulfilment of legitimate business uses that are intended to serve you. To the extent required by the applicable China Data Protection Laws, we will provide more information upon your request.
- h. **Rights:** Chinese residents have the following rights under the China Data Protection Laws. We will respond to your rights request within 15 working days upon the receipt of your request. Otherwise, we will inform you of the delay and the reasons for such delay.

- i. **Right of Access and Copy:** You are entitled to request access to your personal information we are processing. This enables you to receive a copy of the personal information we hold about you.
- ii. **Right to Know:** You are entitled to request us to explain our processing rules for personal information.
- iii. **Right of Correction:** You are entitled to request that any incomplete or inaccurate personal information we hold about you is corrected.
- iv. **Right of Erasure:** You are entitled to ask us to delete or remove personal information if: the processing purpose has been achieved or is impossible to achieve, or the personal information is no longer necessary for relevant purposes; we cease to provide relevant products or services, or the storage period has expired; you have withdrawn consent and no other legal ground for processing exists; our processing of personal information violates applicable laws, administrative regulation or agreed-upon requirements; or other circumstances as proscribed by laws and administrative regulations happen. However, we may not be able to satisfy your request if: the storage period as prescribed by laws and administrative regulations has not expired; the erasure of personal information is technically unviable; or processing the personal information is necessary to comply with our legal obligations.
- v. **Right to Data Portability:** Request us to transfer your personal information that we hold about you to another personal information processor that is designated by you. We will review your request, and if such request meets the applicable statutory requirements under relevant provisions formulated by the competent authorities, we will duly provide you with the channel for the transfer.
- vi. **Right to Withdraw Consent:** You are entitled to withdraw consent if we process your personal information based on your consent. If you withdraw your consent, we will no longer be able to provide you with services corresponding to the consent that you withdraw.
- vii. **Right to Object to Automated Decision-Making:** You are entitled to object information pushing and commercial marketing based upon an automated decision-making mechanism. Additionally, if a decision made upon automated decision-making would have a material impact on your rights and interests, you have the right to require us to explain the matter and to object to the decision made solely upon automated decision-making.
- viii. **Right to De-Register Your Marvell Account:** You can request us to de-register your Marvell account. After the de-registration, we will cease to provide you with our products and/or services, and according to your request, we will delete your personal information unless otherwise required by law.

- i. To exercise any of your rights above, please email a request at privacy@marvell.com. Marvell will review and carry out valid requests. If the request is not deemed valid or cannot be processed, Marvell will share the reasons why it is not valid or unable to process and your options for seeking resolution through a supervisory authority and through a judicial remedy. You have the right to lodge a complaint against us with the competent PRC authority.
- j. **Children's Privacy:** We do not intentionally or knowingly collect, personal information from children under the age of 14 years old in China. If you – as a person with parental responsibility over the child – notice that your child has provided us with personal information without your approval, you may contact us at privacy@marvell.com to request deletion.

Marvell Cookie Notice

Cookies help make your visit to Marvell's websites (the "Site") easier and more efficient. We also use the information collected through cookies to improve our Site, provide greater service and value, better understand your potential interest in our Site and products, and provide you with more relevant ads and other content.

A cookie is a tiny piece of text placed on your computer's hard drive by a website you visit. Cookies help the website to remember information about your visit, like your preferred language and other settings. Cookies serve different purposes and may be tied to personal information such as IP address, browser type, MAC address, clickstream behavior, and telemetry.

Our third-party partners may use cookies or similar technologies to provide you with advertising based on your browsing activities and interests. Where this type of third-party advertising is disabled, generic, non-personalized ads may continue to be displayed. These cookies are not set or controlled by Marvell.

You may update your cookie settings at any time through the Marvell Cookie Preference Manager. Additionally, you may be able to use other tools to control cookies and similar technologies. For example, you may have controls in your internet browser to limit how the websites you visit are able to use cookies.

Types of Cookies

Marvell uses cookies that fall into one of the following categories. The list of specific cookies can be found in the cookie preference manager for the Site.

- **Strictly necessary cookies:** These cookies are required for the operation of our website. These essential cookies are always enabled because our website will not work properly without them. They are usually only set in response to actions made by your which amount to a request for services, such as setting your cookie preferences, logging in, or submitting forms. You can set your browser to block or alert you about these cookies, but some parts of the site may not function correctly.
- **Performance or analytical cookies:** These cookies allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
- **Functional cookies:** These cookies enable the website to provide enhanced functionality and personalization. They may be set by us or by third party providers whose services we have added to our pages. If you do not allow these cookies then some or all of these services may not function properly.
- **Targeting cookies:** These cookies record your visit to our website, the pages you have visited and the links you have followed. They may be used by advertising companies, including social media websites, to understand a user's interests and direct marketing activities. We will use this information to make our website, and the advertising displayed on it, more relevant to your interests.

You can find more information about the individual cookies we use and the purposes for which we use them in the Cookies Preferences Manager.
